REPORT ON LIMITED REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

To the Shareholders of
Ferrovial, S.A. at the request of Board of Directors,

Report on the Interim Condensed Consolidated Financial Statements

Introduction

We have performed a limited review of the accompanying interim condensed consolidated financial statements (“the interim financial statements”) of Ferrovial, S.A. (“the Parent”) and Subsidiaries (“the Group”), which comprise the condensed consolidated statement of financial position as at 30 June 2015, and the condensed consolidated statement of profit or loss, condensed consolidated statement of comprehensive income, condensed consolidated statement of changes in equity, condensed consolidated statement of cash flows and explanatory notes thereto for the six-month period then ended. The Parent's directors are responsible for the preparation of these interim financial statements in accordance with the requirements of International Accounting Standard (IAS) 34, Interim Financial Reporting, as adopted by the European Union, for the preparation of interim condensed financial information, in conformity with Article 12 of Royal Decree 1362/2007. Our responsibility is to express a conclusion on these interim financial statements based on our limited review.

Scope of the Review

We conducted our limited review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A limited review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A limited review is substantially less in scope than an audit conducted in accordance with the audit regulations in force in Spain and, consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on the accompanying interim financial statements.

Conclusion

As a result of our limited review, which under no circumstances may be considered to be an audit of financial statements, nothing came to our attention that might cause us to believe that the accompanying interim financial statements for the six-month period ended 30 June 2015 have not been prepared, in all material respects, in accordance with the requirements of International Accounting Standard (IAS) 34, Interim Financial Reporting, as adopted by the European Union, pursuant to Article 12 of Royal Decree 1362/2007, for the preparation of interim condensed financial statements.

Emphasis of Matter

We draw attention to Note 2 to the accompanying interim condensed consolidated financial statements, which indicates that the aforementioned accompanying interim financial statements do not include all the information that would be required for a complete set of consolidated financial statements prepared in accordance with International Financial Reporting Standards as adopted by the European Union and, therefore, the accompanying interim financial statements should be read in conjunction with the Group's consolidated financial statements for the year ended 31 December 2014. Our conclusion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

The accompanying interim consolidated directors' report for the six-month period ended 30 June 2015 contains the explanations which the Parent's directors consider appropriate about the significant events which took place in that period and their effect on the interim financial statements presented, of which it does not form part, and about the information required pursuant to Article 15 of Royal Decree 1362/2007. We have checked that the accounting information in the interim consolidated directors' report is consistent with that contained in the interim financial statements for the six-month period ended 30 June 2015. Our work was confined to checking the interim consolidated directors' report with the aforementioned scope, and did not include a review of any information other than that drawn from the accounting records of Ferrovial, S.A. and Subsidiaries.

Other Matters

This report was prepared at the request of the directors of Ferrovial, S.A. in relation to the publication of the half-yearly financial report required by Article 35 of Spanish Securities Market Law 24/1988, of 28 July, implemented by Royal Decree 1362/2007, of 19 October.
