CERTIFICATE PROVISIONS

The Policy

The Policy is the group contract between Us and the Policyholder whose provisions govern the insurance provided to the Insured. This Certificate is not an insurance policy. It is evidence of the Coverage provided to the Insured. In case of differences or errors, the provisions of The Policy control. The Policy may be changed at any time by a written agreement between Us and the Policyholder.

Statements Are Not Warranties

All statements made by or for the Insured in the enrollment are considered to be representations and not warranties. No statement will be used in any contest unless a copy of the enrollment data has been furnished to You or the Insured or to the Insured's Beneficiary.

Contestability

Except for failure to pay premiums, We will not contest the validity of Coverage under The Policy after two years:

- a. from the Date of Issue; or
- b. from the effective date of the last reinstatement, based on material misrepresentations in the reinstatement application, if any.

Termination of Coverage on an Insured

Coverage on an Insured will terminate:

1. If any premium payable by You is not paid within the grace period. The Coverage will terminate the day after the 31 day grace period.
2. On the date We receive Your written request to terminate the Coverage.
3. On the date the Insured dies.
4. When the Insured reaches age 121.
5. On the date The Policy terminates subject to the Portability Privilege.

Portability Privilege

We will provide portability Coverage subject to these provisions.

Such Coverage will not be available for a Covered Person unless:

- 1) The Insured's Lifetime Benefit Term Insurance under the Policy terminated because the Policy was cancelled or the Insured is no longer eligible for payroll deduction; and
- 2) We receive a written request and payment of the first premium for the portability Coverage no later than 60 days after such termination; and
- 3) The request is made on a form we furnish or approve for that purpose.

No portability Coverage will be provided if Your Coverage terminated due to failure to pay premium.

Misstatement of Age or Tobacco Usage

If the Insured's age or tobacco usage has been misstated, the amount payable will be the amount that the premium paid would have purchased at the correct age and/or tobacco usage.

Suicide Exclusion

If the Insured commits suicide, while sane or insane, within two years from the Date of Issue, and while this Coverage is in force, We will pay in one sum to the Beneficiary, the amount of premiums paid for this Coverage.

Certificateholder's Rights

The Policy provides that while the Insured is living, You may exercise all rights given to You by The Policy or allowed by Us. These rights include assigning this Coverage, changing the Beneficiary, changing the Certificateholder, enjoying all The Policy benefits and exercising all The Policy options.

The consent of any Irrevocable Beneficiary is needed to exercise any right except the right to:

- a. Change the frequency of premium payments, or;
- b. Reinstate this Coverage after Lapse.

Assignment

The Policy provides that You may assign Your rights to the Coverage under the Certificate. For any assignment to be binding on Us, We must receive the original Assignment, or a signed certified copy at Our Administrative Office and it must be recorded by Us. Once We receive the original Assignment, or a signed certified copy, Your rights and the interest of any Beneficiary or any other person will be subject to the assignment. We will not be responsible for the validity of any assignment. We are not liable for any payment made by Us before We record the assignment.

Change of Certificateholder or Beneficiary

The Policy provides that the Certificateholder or any Beneficiary may be changed during the Insured's lifetime. We do not limit the number of changes that may be made. To make a change, a written request, satisfactory to Us, must be received at Our Administrative Office. The change will take effect as of the date the request is signed by all required parties, even if the Insured dies before We receive it. Each change will be subject to any payment

We made or other action We took before receiving the request. If the Certificateholder dies prior to the Insured, the Insured will become the Certificateholder.

Death of Beneficiary in Common Disaster

If any Beneficiary dies with the Insured in a common disaster, death benefits will be paid as if the Beneficiary predeceased the Insured.

Legal Actions

You cannot bring a legal action to recover benefits under Your Certificate for at least 60 days after You have given Us written Proof of Loss. You cannot start such an action after the expiration of the applicable statute of limitations from the date Proof of Loss is required.

PREMIUMS

Payment of Premiums

Premiums are payable in advance to Us. The first premium is due on the Date of Issue. Each subsequent premium is due when the period covered by the preceding premium ends. The amount and frequency of premium payments are shown in the Certificate Schedule.

Grace Period

After the first premium has been paid, We allow a 31 day Grace Period to pay each subsequent premium. During this Grace Period the Coverage remains in full force. If the Insured dies during the Grace Period, We will deduct the unpaid premium from the benefits of this Coverage.

Non-Payment of Premium Options

If You do not pay the premium due by the end of the Grace Period, the Coverage will Lapse. If the Coverage Lapses and premiums have not been paid through the Vesting Period, Coverage will terminate without value. If the Coverage Lapses and premiums have been paid through the Vesting Period it will Lapse with paid-up term insurance Coverage equal to the sum of the Guaranteed and Deferred Paid-Up Term insurance as described in the Death Benefit provision.

Reinstatement

Coverage may be reinstated, while the Insured is alive, at any time within five years after the date of Lapse subject to Our acceptance of Your application for reinstatement. However, the Coverage cannot be reinstated on or after the Expiry Date.

If You pay the premium due within 60 days of the due date (within 29 days after the end of the Grace Period) and during the Insured's lifetime, the Coverage will be reinstated without Evidence of Insurability.

If You do not pay the premium due within 60 days of the due date (within 29 days after the end of the Grace Period) Reinstatement will be subject to Evidence of Insurability satisfactory to Us. All overdue premiums must be paid with interest compounded annually at 6% from their due dates to the date of reinstatement.

THE DEATH BENEFIT

We will pay the Death Benefit upon receipt at our Administrative/Home Office of proof of the death of the Insured. Proof of death must be by a certified copy of the death certificate or by other written evidence satisfactory to us. Payment under the certificate will be made not later than two months after the date of receipt of proof of the death; and the right of the claimant to the proceeds of the certificate.

Death Benefits available to an Insured are determined in accordance with the Death Benefit provision of this Certificate. The Guaranteed Death Benefit, Deferred Paid-Up Term Death Benefits and One Year Term Insurance for a given Insured will vary according to Issue Age, Mortality Table, Rate Class, Premium and Non-Guaranteed Credits described in the Certificate. Given the variability of these factors, the Guaranteed Death Benefit, Deferred Paid-Up Term Death Benefits and One Year Term Insurance for a given Insured are only illustrated in the Certificate Schedule and Illustration issued to You. The following provisions govern the calculation of the Death Benefit:

Guaranteed Death Benefit

While premiums are being paid, the Policy provides for an initial level Guaranteed Death Benefit. After the Initial Guaranteed Death Benefit Period, the Guaranteed Death Benefit is reduced. The Guaranteed Death Benefits and Periods are shown in the Certificate Schedule.

The Guaranteed Death Benefit is equal to the sum of the Guaranteed Paid-Up Term Death Benefit and the Decreasing Term Death Benefit. The Guaranteed Death Benefit Coverage terminates without value at the Expiry Date shown in the Certificate Schedule.

Guaranteed Paid-Up Term Death Benefit

The Guaranteed Paid-Up Term Death Benefit is equal to the accumulated amount of paid-up term insurance purchased by a level portion of the Coverage annual premium. This premium is shown on the Certificate Schedule. During the Vesting Period, the premium loads shown in the Certificate Schedule reduce this level portion of the premium. The table of Guaranteed Paid-Up Term Death Benefits is shown in the Certificate Schedule.

If the Coverage lapses during the Vesting Period, the Coverage will terminate with no value. If the Coverage lapses after the Vesting Period accumulated paid-up term insurance Coverage will remain in force until the Expiry Date.

Decreasing Term Death Benefit

The Decreasing Term Death Benefit is equal to the Guaranteed Death Benefit minus the Guaranteed Paid-Up Term Death Benefit. The Decreasing Term Death Benefit terminates when premiums are no longer being paid.

Deferred Paid-Up Term Death Benefit

We may purchase a non-guaranteed Deferred Paid-Up Term Death Benefit on each Coverage Anniversary while the Coverage is premium paying. A Deferred Paid-Up Term Death Benefit will not provide an increase in the death benefit while the Coverage is premium paying except as noted in the One Year Term Death Benefit provision. It will increase the paid-up death benefit available upon termination of premium payments, provided that premium payments are paid through the Vesting Period. The company will declare Non-guaranteed Credits in advance of each Certificate Year that will be used to purchase the Deferred Paid-Up Term Death Benefit.

Non-guaranteed Credits

Credits are based upon interest and mortality more favorable than that guaranteed by The Policy. The total credit on each anniversary is equal to the sum of the Mortality, Survivor and the Excess Interest Credits. These Credits may not be less than zero.

The Mortality Credit is equal to i times ii times iii divided by iv:

- i. The Guaranteed Death Benefit.
- ii. The guaranteed mortality rate minus the current mortality rate.
- iii. One plus the current interest rate raised to the one half power.
- iv. One minus the current mortality rate.

The Survivor Credit is equal to i times ii times iii divided by iv:

- i. The Deferred Paid-Up Term Death Benefit on the prior anniversary.
- ii. The current mortality rate.
- iii. One plus the current interest rate raised to the one half power.
- iv. One minus the current mortality rate.

The Excess Interest Credit is equal to i times ii times iii:

- i. The sum of the Guaranteed and non-guaranteed Deferred Paid-Up Term Death Benefit on the prior anniversary.
- ii. The current interest rate minus the guaranteed interest rate.
- iii. The net single premium rate for paid-up term insurance.

The Guaranteed Death Benefit, current mortality rate, net single premium rate and interest rate for calculating the above Credits are determined as of the prior anniversary and are based upon rates declared in advance of the Certificate Year. Current rates are based upon Our future expectations of mortality and interest and are not calculated to recover past losses or distribute past profits. If We change current rates on in force Coverage under

The Policy, the changes will be made uniformly for all insureds for a given age, Duration, Mortality Table and Rate Class as shown in the Certificate Schedule.

The additional Deferred Paid-Up Term Death Benefit as of the current anniversary is equal to the amount of Deferred Paid-Up Term Death Benefit on the prior anniversary plus the sum of the total Credits divided by the net single premium rate for paid-up term insurance on the current anniversary. If at any anniversary the sum of the Guaranteed Paid-Up Term Death Benefit and the Deferred Paid-Up Term Death Benefit would exceed the Initial Guaranteed Death Benefit, then premiums will be refunded to the point that the sum is equal to the Initial Guaranteed Death Benefit.

Once earned, the Deferred Paid-Up Term Death Benefit is guaranteed and will not decrease except in years where it is used to purchase One Year Term insurance.

One Year Term Insurance

After the Initial Guaranteed Death Benefit Period, a portion of the value of the non-guaranteed Deferred Paid-Up Term Death Benefit will be used on each anniversary to purchase One Year Term Insurance equal to the reduction in the Guaranteed Death Benefit. If there is not enough value to purchase One Year Term Insurance equal to the reduction in the Guaranteed Death Benefit then as much One Year Term Insurance as the value will allow will be purchased.

The One Year Term Insurance premium is equal to i divided by ii:

- i. Current mortality rate
- ii. One plus the current interest rate raised to the one half power,

Where the current mortality rate and interest rate is determined as of the current anniversary.

The amount of Deferred Paid-Up Term Death Benefit will be reduced by the amount needed to pay the One Year Term Insurance Premium based upon the net single premium rate for paid-up term insurance.

Early Fully Paid-Up Coverage

If the sum of the Guaranteed and Deferred Paid-Up Term Death Benefit is greater than or equal to the Initial Guaranteed Death Benefit prior to age 100, the Coverage will become paid-up for an amount equal to the Initial Guaranteed Death Benefit. Premiums will be refunded to the point in time that the sum of the Guaranteed and Deferred Paid-Up Term Death Benefit was equal to the Initial Guaranteed Death Benefit. No further premium payments will be due.

Death Benefit Calculations

In any Certificate Year, while premiums continue to be paid, the amount payable upon death of the Insured will be:

- a. Guaranteed Death Benefit in effect in that year; plus
- b. After the Initial Guaranteed Death Benefit Period, One Year Term Insurance, if any; plus
- c. the premium paid beyond the date of death; plus
- d. interest, not less than required by law, from the date proof of death is received by Us to the date the claim is paid; minus
- e. any unpaid premium due and unpaid at the date of death.

In any Certificate Year after premiums have been paid thru the Vesting Period and the Coverage has Lapsed due to nonpayment of premiums, the amount payable upon death of the Insured will be:

- a. the Guaranteed Paid Up Term Death Benefit; plus
- b. the Deferred Paid Up Term Benefit, if any; plus
- c. interest, not less than required by law, from the date proof of death is received by Us to the date the claim is paid.

No Death Benefit is payable in the event that death occurs after Coverage has Lapsed, and the Lapse occurred prior to the end of the Vesting Period.

Payment of Proceeds – Settlement of the death benefit shall be made by payment in one sum.

Subject to a written claim form as furnished by Us, We will pay the death benefit within 30 days of when We receive due proof at Our Administrative Office that the Insured died while the Coverage was in force. If payment is delayed for 30 days or more, We will pay interest at a rate of at least 2.5% a year on the amount We owe. The

Proceeds are subject to any adjustments provided in the Misstatement of Age or Tobacco Usage, Contestability and Suicide provisions.

Death of Beneficiary

If any Beneficiary dies prior to the Insured, the portion of the proceeds that would have gone to that Beneficiary shall be paid to the Insured's Estate.

Multiple Beneficiaries

If there is more than one Beneficiary, proceeds shall be divided equally among the Beneficiaries, unless the Beneficiary designation specifies the amount to be paid to each Beneficiary.

Facility of Payment

We may pay all or part of the Death Benefit to any person who paid any expense in connection with the Insured's last illness or death. That person must give us a copy of the receipt describing the expense and the amount paid for such expense. The amount paid will not exceed \$1,000. The Death Benefit will be reduced by any payment made under this provision.

COVERAGE VALUES**Basis of Values**

All paid-up term insurance amounts, present values and net single premiums for The Policy are based on the Mortality Table and interest rate shown on the Certificate Schedule. Calculations take into account that premiums are paid annually and that Death Benefits are payable uniformly throughout the Certificate Year. Any additional benefits provided by Riders shall be excluded from these calculations.

Certificate Schedule of Guaranteed Values

The Certificate Schedule of Guaranteed Values shows the guaranteed values at the beginning of the Certificate Year on the assumption that premiums have been fully paid in cash for the completed years stated.

If premiums for this Coverage are paid other than annually, adjustments will be made in calculating guaranteed Paid-Up term insurance values for that portion of the Certificate Year for which premiums were actually paid.

Guaranteed paid-up term insurance values for the end of any Coverage Year not shown in the table will be furnished upon written request to the Administrative Office.

DEPENDENT CHILD RIDER

RIDER PART OF COVERAGE: This Rider is part of Your Coverage provided in response to Your enrollment form and payment of premiums for this Rider. Those premiums are shown on the Certificate Schedule or Endorsement. All the provisions of the Certificate apply to this Rider, unless otherwise stated herein.

COVERAGE AND EXPIRY DATES: The Coverage and Expiry Dates of this Rider are shown on the Certificate Schedule or Endorsement. This Rider will not be in effect unless the Coverage to which it is attached becomes effective.

DEPENDENT CHILD means a person who is:

1. The Insured's newborn child; or
2. The Insured's unmarried natural child, legally adopted child, child in the waiting period prior to finalization of adoption by the Insured, or stepchild under age [26]; or
3. The Insured's unmarried grandchild under age [26] who is a dependent for federal income tax purposes.

BENEFIT: If we receive proof at Our Administrative Office that a Dependent Child has died after the age of [15] days and before his or her [26th] birthday, and while this Rider is in force, then we will pay the Beneficiary the Death Benefit Amount shown on the Certificate Schedule or Endorsement. The Death Benefit Amount applies to each Dependent Child.

REINSTATEMENT: This Rider may be reinstated upon reinstatement of the Coverage if satisfactory Evidence Of Insurability is furnished to us with respect to each Dependent Child and for each Insured within 15 days of the reinstatement of the Coverage. The death of a Dependent Child before the date of the reinstatement or Evidence Of Insurability unsatisfactory to us with respect to a Dependent child shall not preclude the reinstatement of the Coverage and this Benefit on the lives of those for whom the Evidence Of Insurability is satisfactory to us.

BENEFICIARY: The Certificateholder is the Beneficiary, if living. If the Certificateholder is not living, the Certificateholder's spouse shall be the Beneficiary. If the Certificateholder's spouse is not living (or if the Certificateholder does not have a spouse), the child's legal guardian or the adult(s) who We determine have assumed custody of the child shall be the Beneficiary.

CONTESTABILITY: The Contestability provision applies to each Dependent Child under this Rider. We will not contest this Rider two years from the Date of Issue of this Rider. This Contestability provision also applies to any reinstatement of the Rider as regards to statements made in the application for reinstatement.

SUICIDE: If an Insured dies under this Rider by suicide within [two years] from the Date of Issue, we will return the premiums paid for this Rider.

CONVERSION: You may convert the Coverage of a Dependent child within 30 days of the earlier of the Dependent Child's [26th] birthday or the Anniversary of the Date of Issue which is on or next following the Insured's [75th] birthday. We must receive written application and the first premium for the new Coverage while the Dependent Child is alive and still Insured under this Rider.

The Conversion may be to the same plan as the original Certificate to which this Rider is attached, or to another plan.

The face amount of the new coverage will be no more than five times the Benefit Amount payable under this Rider for the Dependent child, but no less than \$5,000.

Premium for the new coverage will be based on the age, gender and rate class of the Dependent Child on the Date of Issue of the new coverage.

There will be no Evidence Of Insurability required for the conversion. However, if additional Riders are requested on the new policy, the Dependent Child must provide Evidence Of Insurability satisfactory to us. Coverage for any Dependent Child under this Rider terminates upon Conversion of that Dependent Child.

DEPENDENT CHILD RIDER

Continued from previous page.

PAID-UP INSURANCE: We will convert each Dependent Child's Coverage then in force to paid-up term insurance at the death of the Insured if:

- the Insured dies before the Expiry Date of this Rider; and
- this Certificate and Rider are in force.

The paid-up insurance will have no surrender Value or Loan Value and will automatically terminate on the earlier of:

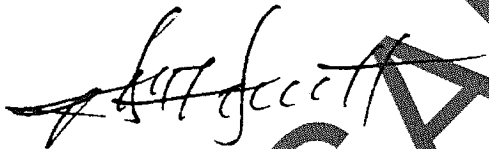

- the Dependent Child's [26th] birthday; or
- the Expiry Date of this Rider.

Paid-up insurance on any Dependent Child will not be contested after insurance has been in force, during the lifetime of that Dependent Child, for two years. The two years includes the period that such Dependent Child's Coverage was in force under this Rider prior to the date the paid-up insurance becomes effective. The Dependent Child will be the Owner of the paid-up insurance if he or she has reached the age of majority at the death of the Insured. Otherwise, the legal guardian of the Dependent Child will be the Owner.

RIDER TERMINATION: This Rider ends automatically

- a. On the Expiry Date of this Rider, as shown on the Certificate Schedule or Endorsement; or
- b. When the Coverage matures; or
- c. When the Coverage terminates for any reason; or
- d. The Certificate anniversary on which the Insured is age [75]; or
- e. At the end of the [31] day Grace Period for an unpaid premium; or
- f. When there are no longer any Dependent Children covered under this Rider.

SUMMARY and DISCLOSURE STATEMENT for ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

Benefit

According to the terms of the Accelerated Death Benefit For Terminal Illness Rider, We will pay a portion of the Death Benefit to the Certificateholder upon receiving acceptable proof that the Insured is terminally ill. The benefits of this Rider are available to the Certificateholder through a Rider attached to his or her Certificate. An Accelerated Death Benefit for Terminal Illness can only be paid one time under this Rider.

Consequences of Receiving an Accelerated Death Benefit for Terminal Illness

Payment of benefits under this Rider may be taxable to the Certificateholder under the Internal Revenue Code. The receipt of an Accelerated Death Benefit may also affect the Certificateholder's eligibility to receive, or continue to receive Medicaid benefits, or other state or federal government benefits and entitlements. Before the Certificateholder elects to receive any benefits under this Rider, he or she should consult with his or her tax advisor.

Amount You May Elect

After the Contestability Period is completed, the Certificateholder may elect the amount of the Accelerated Death Benefit to be paid. The limits are outlined in the Rider, but are generally limited to the lesser of 50% of the Death Benefit provided to the Insured by the Certificate after subtraction of any previous Accelerated Death Benefit paid to the Certificateholder, to a maximum of \$100,000. We have a right under the Rider to charge an administrative fee for processing an Accelerated Death Benefit. The maximum amount of the fee we will charge the Certificateholder is \$150. It will be deducted from any payment made.

When Eligible for Payment of Benefit

The Certificateholder is entitled to receive the Accelerated Death Benefit for Terminal Illness when we have determined that the insured is terminally ill and has a life expectancy of 12 months or less.

Notice and Proof of Qualifying Event

We will require proof that the Insured is terminally ill. The diagnosis must be made by a Physician as defined in the Rider. Any diagnosis must be the result of clinical, radiological, histological, or laboratory evidence of the terminal illness. We may require a second medical opinion by a Physician of our choice at Our expense. If there is a conflict of opinion, We reserve the right to make the final determination.

Effect of an Accelerated Death Benefit for Terminal Illness

When payment of an Accelerated Death Benefit for Terminal Illness is made, it will be treated as a Lien against the Certificate Coverage. We will charge the Certificate Holder interest on the Accelerated Death Benefit paid to him or her. The maximum interest rate we may charge the Certificate Holder is the greater of:

1. 7%; or
2. the current 90 day U.S. Treasury Bill rate in effect on the date that the Accelerated Death Benefit is paid.

Premiums, without reduction, will still be payable, including any premiums for Riders. ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

There is no additional premium charge for this Rider.

DEATH BENEFIT WILL BE REDUCED IF DEATH BENEFIT ADVANCE IS PAID.

RIDER PART OF COVERAGE: This Rider is part of Your Coverage provided in response to Your enrollment form and payment of premiums. Those premiums are shown on the Certificate Schedule or Endorsement. All the provisions of the Certificate apply to this Rider unless otherwise stated herein.

IMPORTANT DISCLOSURES:

Death benefits, cash-values, and loan values, if any, will be reduced if an Accelerated Death Benefit for Terminal Illness is paid. The Accelerated Death Benefit for Terminal Illness, related charges, interest, discounts or liens, if applicable and the balance of the Death Benefit of the life insurance contract shall constitute full settlement on maturity of the face amount of the contract. For term contracts, no maturity payment is available at the end of the term period.

The Accelerated Benefit offered under this Rider may or may not qualify for favorable tax treatment under the Internal Revenue Code of 1986. Whether such benefits qualify depends on factors such as the Insured's life expectancy at the time benefits are accelerated or whether You use the benefits to pay for the Insured's necessary long-term care expenses, such as nursing home care. If the Accelerated Benefit qualifies for favorable tax treatment, the benefit will be excludable from Your income and not subject to federal taxation. Tax laws relating to Accelerated Benefits are complex. You are advised to consult with a qualified tax advisor about circumstances under which You could receive Accelerated Benefits excludable from income under federal law.

Receipt of an Accelerated Death Benefit may affect You and Your spouse or family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect You, Your spouse and family's eligibility for public assistance.

DEFINITIONS:

- **Accelerated Death Benefit:** This is the amount of the Death Benefit that You can elect to receive when the Insured is determined to be Terminally Ill. We will pay this Accelerated Death Benefit for Terminal Illness less the amount of the current administrative fee.
- **Terminally Ill:** This is when the Insured has a life expectancy of 12 months or less due to an illness or physical condition. We will require proof that the Insured is Terminally Ill. This proof will include, but is not limited to, certification by a Physician.
- **Physician:** A licensed, medical practitioner performing within the scope of his or her license. A Physician may not be You, the Insured, or related to either by blood or marriage.

ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS:

After the Contestability Period is completed, You may elect to have a portion of the Death Benefit accelerated. The Insured must be found to be Terminally Ill subject to the terms and conditions described in this Rider.

The Maximum Accelerated Death Benefit for Terminal Illness is determined as of the date proof of life expectancy is received, and is the lessor of:

- 50% of the Death Benefit provided to the insured by the Certificate after subtraction of any previous accelerated Death Benefits paid to You; or
- \$100,000

The minimum amount You may elect as an advance under the Accelerated Death Benefit for Terminal Illness is \$2,500. The total amount you may elect from all accelerated death benefit provisions available from coverage issued by Combined Insurance Company of America on the life of the Insured is \$100,000.

We will charge an administrative fee of not more than \$150.00 for processing an Accelerated Death Benefit for Terminal Illness. This fee will be deducted from any payment made.

Any amount later payable under the certificate as a death benefit will be reduced by the amount of the death benefit advance minus any lien and administrative fee.

ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

Continued from previous page.

LIEN:

We will treat the Accelerated Death Benefit for Terminal Illness payment as a lien against Your Coverage. We will charge monthly interest on the Accelerated Death Benefit for Terminal Illness that will be added to the Lien. The maximum annual rate of interest we will charge will be the greater of:

- 7%, or;
- The current 90 day US Treasury Bill rate in effect on the date that the Accelerated Death Benefit for Terminal Illness is paid.

In the event that Coverage under a Certificate lapses for nonpayment of premium, Coverage will terminate and no repayment of the Lien is required.

EFFECT ON THE CERTIFICATEHOLDER'S COVERAGE:

The Death Benefit payable under the Certificate will be reduced by the total amount of the Lien against Your Coverage.

The premiums payable for the Certificate and any attached Riders will not be reduced and will continue to be payable by You.

CONDITIONS:

Payment of an Accelerated Death Benefit for Terminal Illness under this Rider is subject to these conditions:

1. This Rider is subject to the terms and conditions of the Certificate.
2. The Insured must not be Terminally Ill due to an attempt of suicide for as long as the suicide provision of the Certificate is in effect. This benefit may be reinstated subject to the same terms which apply to the Certificate.
3. Your written request to elect the Accelerated Death Benefit for Terminal Illness available under this Rider must be received at Our Administrative Office. Upon receipt of Your request, We will mail a claim form for completion by the Insured, to your address of record within 10 working days.
4. If you have named an Irrevocable Beneficiary or assignee, they must also sign the written request for this benefit.
5. You must provide Us with certification by a Physician, that the Insured is Terminally Ill. We reserve the right to obtain a second medical opinion at Our expense. If there is a conflict of opinions, a third diagnosis will be obtained by a Physician acceptable to both You and Us. The third diagnosis will be binding on both You and Us.

CERTIFICATEHOLDER'S RIGHTS:

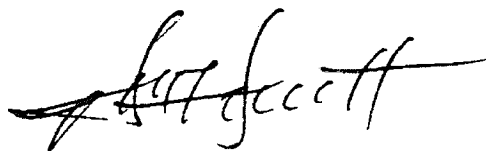

The request for payment of any Accelerated Death Benefit for Terminal Illness is voluntary. This Rider is not intended to allow third parties to cause You to involuntarily reduce Your Coverage Proceeds that would be payable to Your Beneficiary. Therefore, any election that is forced by creditors or government agencies will be honored only to the extent required by law.

TERMINATION:

This Rider will terminate on the earliest of:

1. the date We pay the Maximum Accelerated Death Benefit for Terminal Illness;

1. Premium rate schedules that are applicable to you and that will be in effect until a request is made and filed with the Texas Department of Insurance for an increase are \$_____ shown on the application. The premium rate schedule for this coverage will be shown on the schedule page of your rider.
2. If your rates are changed, the new rates will become effective on the next anniversary date. The new rates will remain in effect until another request is made and filed with the Texas Department of Insurance. You have the right to receive a revised premium rate schedule if the premium rate schedule is changed.
3. This long-term care coverage is Guaranteed Renewable. This means that the rates for this coverage may be increased in the future. Your rates CANNOT be increased due to your increasing age or declining health, but your rates may go up based on the experience of all insureds with a rider similar to yours.
4. If you receive a premium rate increase in the future, you will be notified of the new premium amount and you will be able to exercise at least one of the following options:
 - a. Pay the increased premium and continue your coverage in force as is.
 - b. Reduce your coverage benefits to a level such that your premiums will not increase.
 - c. Exercise your long-term care nonforfeiture option, if purchased. This option is available for purchase for an additional premium.
 - d. Exercise your contingent nonforfeiture rights – See No. 5. This option is available if you do not purchase a long-term care nonforfeiture option mentioned in c. above.
5. **Contingent Nonforfeiture Rights**
If the premium rate for your rider goes up in the future and you do not buy a long-term care nonforfeiture option, you may be eligible for contingent nonforfeiture. Here's how to tell if you are eligible:
 - a. You will keep some long-term care insurance coverage, if:
 - i. Your premium after the increase exceeds your original premium by the percentage shown, or more, in the table provided on the next page; and
 - ii. You do not pay your premium within 120 days of the increase causing your rider to lapse.
 - b. The amount of coverage, new lifetime maximum benefit amount, etc., you will keep will equal the total amount of premiums you have paid since your rider was first issued. If you have already received benefits under the rider, so that the remaining maximum benefit amount is less than the total amount of premiums you have paid, the amount of coverage will be that remaining amount.
 - c. Except for this reduced lifetime maximum benefit amount, all other rider benefits will remain at the levels attained at the time of the lapse and will not increase thereafter.

Should you choose this Contingent Nonforfeiture option, your rider, with this reduced maximum benefit amount, will be considered "paid-up" with no further premiums due.

Example:

- You bought the rider at age 65 and paid the \$1,000 annual premium for ten years, so you have paid a total of \$10,000 in premium.

- In the eleventh year, you receive a rate increase of 50%, or \$500 for a new annual premium of \$1,500, and you decide to not pay any more premiums causing your rider to lapse.
- Your “paid-up” rider benefits are \$10,000, provided you have at least \$10,000 of benefits remaining under your rider.

6. Fixed or Limited Premium Payment Period

In addition to the contingent nonforfeiture benefits described above, the following reduced "paid-up" contingent nonforfeiture benefit is an option in all policies or certificates that have a fixed or limited premium payment period, even if you selected a nonforfeiture benefit when you bought your policy. If both the reduced "paid-up" benefit AND the contingent nonforfeiture benefit described above are triggered by the same rate increase, you can choose either of the two benefits.

You are eligible for the reduced "paid-up" contingent nonforfeiture benefit when all three conditions shown below are met:

- a. The premium you are required to pay after the increase exceeds your original premium by the same percentage or more shown in the chart below;

Triggers for a Substantial Premium Increase

<u>Issue Age</u>	<u>Percent Increase Over Initial Premium</u>
Under 65	50%
65 – 80	30%
Over 80	10%

- b. You stop paying your premiums within 120 days of when the premium increase took effect; AND
- c. The ratio of the number of months you already paid premiums is 40% or more than the number of months you originally agreed to pay.

If you exercise this option your coverage will be converted to reduced "paid-up" status. That means there will be no additional premiums required. Your benefits will change in the following ways:

1. The total lifetime amount of benefits your reduced paid up policy or certificate will provide can be determined by multiplying 90% of the lifetime benefit amount at the time the policy or certificate becomes paid up by the ratio of the number of months you already paid premiums to the number of months you agreed to pay them.
2. The daily benefit amounts you purchased will also be adjusted by the same ratio.

If you purchased lifetime benefits, only the daily benefit amounts you purchased will be adjusted by the applicable ratio.

Example:

- You bought the policy or certificate at age 65 with an annual premium payable for 10 years.
- In the sixth year, you receive a rate increase of 35% and you decide to stop paying premiums.
- Because you have already paid 50% of your total premium payments and that is more than the 40% ratio, your "paid-up" policy or certificate benefits are .45 (.90 times .50) times the total benefit amount that was in effect when you stopped paying your premiums. If you purchased inflation protection, it will not continue to apply to the benefits in the reduced "paid-up" policy or certificate.

NOTICE TO BUYER: This Rider may not cover all the costs associated with long-term care incurred by the Certificateholder during the period of coverage. The Certificateholder is advised to review carefully all Rider limitations.

1. RIDER DESIGNATION: This Rider is a group Rider which has been issued in the state of Texas.
2. PURPOSE OF OUTLINE OF COVERAGE: This Outline of Coverage is designed to provide a very brief description of some of the important features of your Rider. This is not the insurance contract and only the actual policy provision will control the rights and obligations of the parties to it. The policy itself sets forth in detail those rights and obligations applicable to both you and your insurance company. It is very important, therefore, that you READ YOUR POLICY OR CERTIFICATE CAREFULLY.
3. TERMS UNDER WHICH THE POLICY OR CERTIFICATE MAY BE RETURNED AND PREMIUM REFUNDED:
 - a. You have the right to return this Rider within 30 days after You receive it, and we will refund any premium that You paid for the Rider, if after examination of the Rider You are not satisfied for any reason.
 - b. A pro-rata refund of any premium paid for this Rider beyond the death of the Insured, or termination of the Rider will be returned.
4. MEDICARE SUPPLEMENT INSURANCE DISCLAIMER. THIS IS NOT MEDICARE SUPPLEMENT COVERAGE. If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare available from the insurance company.
 1. Neither Combined Insurance Company of America nor its agents represent Medicare, the federal government, or any state government.
5. LONG-TERM CARE COVERAGE. Long-term care insurance is designed to provide coverage for necessary or medically necessary diagnostic, preventive, therapeutic, curing, treating, mitigating, and rehabilitative services, and maintenance or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home. Coverage is provided for the benefits outlined in paragraph (6) of this subsection. The benefits described in paragraph (6) of this subsection may be limited by the limitations and exclusions in paragraph (7) of this subsection.

6. BENEFITS PROVIDED BY THIS RIDER:

- a. **Elimination Period:** The number of days at the beginning of a period of care for which benefits are not payable under the Rider. The number of days in the Elimination Period for the Rider is 90. In order for a day to count as a day in the Elimination Period, the following requirements must be met:
 - i. the Insured is Chronically Ill; and charges have been incurred for the care and services of the Insured.
- b. **FOR QUALIFIED CONFINED CARE OR QUALIFIED NON-CONFINED CARE:** The benefit amount for Confinement, Home Health Care or Adult Day Care will be 4% of the current Death Benefit, minus any lien, of the Certificate as of the first of the month following the date the Insured became eligible for payment of the benefit. After We receive the required proof that the Insured has met the Conditions for Determination of Payment of Benefits that are described in this Rider, We will pay You the benefit amount. We will pay the benefit amount for each Certificate Month or fraction of a Certificate Month for as long as the Insured continues to meet the eligibility requirements. The benefit payments will be subject to the Remaining Accelerated Death Benefit Amount.
- c. **CONDITIONS FOR DETERMINATION OF PAYMENT OF BENEFITS:** Payment of benefits will be determined based on the Insured being Chronically Ill having a level of disability similar to the Insured's ability to perform Activities of Daily Living; or being Cognitively Impaired, as defined in the Rider. Eligibility for the payment of benefits requires a deficiency in the ability to perform 2 Activities of Daily Living.

A Licensed Health Care Practitioner must certify that an Insured is unable to perform Activities of Daily Living for an expected period of at least 90 days due to a loss of functional capacity and the Insured is in claim status.

- d. **DEFINITIONS:** These are some of the important definitions that will help the Certificateholder understand the Conditions for Determination of Payment of Benefits. Please review the Rider for further information.

ACTIVITIES OF DAILY LIVING means everyday activities. For the purposes of this Rider, each of the following six (6) activities is considered an Activity of Daily Living:

- I. **Bathing:** Washing oneself by sponge bath or in either a tub or shower, including the task of getting into or out of the tub or shower.
- II. **Continence:** The ability to maintain control of bowel and bladder function; or, when unable to maintain control of bowel or bladder function, the ability to perform associated personal hygiene (including caring for catheter or colostomy bag).
- III. **Dressing:** Putting on and taking off all items of clothing and any necessary braces, fasteners or artificial limbs.
- IV. **Eating:** Feeding oneself by getting food into the body from a receptacle (such as a plate, cup or table) or by a feeding tube or intravenously.
- V. **Toileting:** Getting to and from the toilet, getting on and off the toilet, and performing associated personal hygiene.
- VI. **Transferring:** Sufficient mobility to move into or out of a bed, chair or wheelchair or to move from place to place, either via walking, a wheelchair or other means..

CHRONICALLY ILL INDIVIDUAL means an Insured who has been certified by a Licensed Health Care Practitioner as:

- I. being Unable to Perform, without Substantial Human Assistance, at least two Activities of Daily Living (Bathing, Continence, Dressing, Eating, Toileting, and Transferring) for a period of at least 90 days; or
- II. the Insured has a Cognitive Impairment that requires Substantial Supervision to protect the Insured from threats to his or her health and safety.

e. BENEFITS UNDER EXTENSION OF BENEFITS RIDER. If the rider is in force, after we have paid out the entire certificate death benefit amount, as of the beginning of the period of claim, we will increase the death benefit amount of the certificate by the death benefit amount increase subject to our determination that all the following terms and conditions have been satisfied:

- I. the rider remains in force;
- II. the insured is alive and continues to meet all conditions of the Accelerated Death Benefit for Long Term Care Rider under the Conditions on Eligibility for Payment of Long Term Care Benefits provision;
- III. the death benefit amount of the Certificate as of the monthly date immediately following the date the Insured first became eligible for payment of Long Term Care Benefits minus any death benefit advance has been paid;
- IV. the Certificate will not be eligible for any additional death benefit amount increase until the previous death benefit amount increase has been paid;
- V. the cumulative Monthly Increase in Death Benefit Amounts under this Rider will not exceed the Multiple of the Current Death Benefit of the Certificate determined as of the monthly Certificate date that the final monthly payment under the terms of the Accelerated Death Benefit for Long Term Care Rider was made. The Multiple is shown on the Certificate Schedule or Endorsement.

The effective date of each death benefit amount increase will be the monthly date preceding the monthly date that the entire death benefit amount of the certificate was paid.

The death benefit amount increase equals the death benefit amount of the Certificate on the monthly date immediately following the date the insured first becomes eligible for Long Term Care Benefits, minus any lien, times the confinement percentage shown on the Certificate Schedule or Endorsement.

If the Insured ceases to meet the Conditions on Eligibility for Payment of Benefits under the Accelerated Death Benefit for Long Term Care Rider while death benefit amount increases are being made under the Extension of Benefits Rider, the Certificate and all its Riders will terminate.

If 100% of the amount payable under the Extension of Benefits Rider has been paid, the Certificate and all its Riders will terminate.

7. LIMITATIONS AND EXCLUSIONS: This Rider may not limit coverage by type of illness, treatment, medical condition, or accident, except as follows:

- a. mental or nervous disorders; however, this shall not permit exclusion or limitation of benefits on the basis of Alzheimer's Disease;
- b. alcoholism and drug addiction;

 - d. war or act of war (whether declared or undeclared);
 - e. participation in a felony, riot or insurrection;

- a. This Rider is level and will not increase over time.
9. TERMS UNDER WHICH THIS RIDER MAY BE CONTINUED IN FORCE OR DISCONTINUED:
- a. RENEWABILITY: THIS POLICY (CERTIFICATE) IS GUARANTEED RENEWABLE. This means you have the right, subject to the terms of your policy (certificate), to continue this policy as long as you pay your premiums on time. Combined Insurance Company of America cannot change any of the terms of your policy on its own, except that, in the future, IT MAY INCREASE THE PREMIUM YOU PAY.
 - b. CONTINUATION: Regardless of the continuation or conversion options available under the base Certificate, a continuation option is available for this Rider. Only You can request termination of this Rider. Unless You do, it will remain in force as long as the Certificate remains in force. **ACCELERATED DEATH BENEFIT
FOR LONG TERM CARE RIDER**

TAX QUALIFICATION NOTICE: The acceleration-of-life-insurance benefits offered under this rider is intended to be a qualified long-term care rider as defined by the Internal Revenue Code of 1986, section 7702B(b). If the acceleration-of-life-insurance benefits qualify for such favorable tax treatment, the benefits will be excluded from your income and not subject to federal taxation. Tax laws relating to acceleration-of-life-insurance benefits are complex. You are advised to consult with a qualified tax advisor about circumstances under which you could receive acceleration-of-life-insurance benefits excludable from income under federal law. Receipt of accelerated death benefits may affect you, your spouse or your family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplemental social security income (SSI), and drug assistance programs. You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such payment will affect you, your spouse and your family's eligibility for public assistance.

The best time to clear up any questions is now, before a claim arises. If, for any reason, any of your answers are incorrect, contact the Company at this address: please contact us at 17 Church St., Keene, NH 03431 or call 1-855-241-9891.

BENEFITS

MONTHLY ACCELERATED DEATH BENEFIT FOR CONFINEMENT, HOME HEALTH CARE, OR ADULT DAY CARE: The benefit amount for Confinement, Home Health Care, or Adult Day Care, will be 4% of the current Death Benefit, minus any lien, of the Certificate as of the first of the month following the date the Insured became eligible for payment of the benefit, subject to the remaining accelerated death benefit amount. We will pay this benefit after We receive the required proof that the Insured has met the Conditions on Eligibility for Long Term Care Benefits. The benefit will be payable for each Certificate month while the Insured continues to meet the eligibility requirements. Benefit payments will be subject to the Remaining Accelerated Death Benefit Amount.

REMAINING ACCELERATED DEATH BENEFIT AMOUNT: The Monthly Accelerated Benefit may not be larger than the Remaining Accelerated Death Benefit Amount. The Remaining Accelerated Death Benefit Amount equals:

1. the current death benefit on the life of the Insured provided by the Certificate; less
2. any Lien resulting from a Terminal Illness benefit paid to You under a Terminal Illness Rider; less
3. the total of all previous Monthly Accelerated Death Benefit Amounts paid to You for Long Term Care benefits under this Rider.

The current death benefit as used here does not include accidental death benefits or life insurance provided by any other Riders.

WAIVER OF PREMIUM: While the Insured is eligible for Monthly Accelerated Death Benefits, We will waive the premiums due for the Coverage provided by the Certificate and the premiums for Riders attached to the Certificate.

EFFECT ON THE CERTIFICATE IF LONG TERM CARE BENEFITS ARE PAID

ADJUSTED DEATH BENEFIT DUE TO ACCELERATION: The death benefit that is payable at the death of the Insured will be reduced by the total of all previous Long Term Care Benefit payments to You. The Death Benefit will further be reduced by any Lien resulting from a Terminal Illness benefit paid to You. If the Insured dies while the Certificate is in force, the remaining Death Benefit proceeds will be paid to the Beneficiary. No further payments under this Rider will be made to You.

ADJUSTED PREMIUMS DUE TO ACCELERATION: While the Insured is eligible for a Monthly Accelerated Death Benefit, We will waive the premiums due for the benefits provided to You by the Certificate. If the Insured later becomes ineligible for a Monthly Accelerated Death Benefit and a Maximum Remaining Accelerated Death Benefit Amount is still available, We will reduce the premium due for the Coverage and this Rider. That reduced premium equals (1) multiplied by (2), plus (3).

1. The premium due on the Coverage provided by the Certificate and the benefits for this Rider;
2. The ratio of the Adjusted Death Benefit plus any Terminal Illness lien to the current death benefit for the certificate;
3. The current premium for any other Riders attached to the Coverage.

TERMINATION OF COVERAGE DUE TO ACCELERATION: If the Maximum Remaining Accelerated Death Benefit Amount is reduced to zero or less, either due to payment of a Monthly Accelerated Death Benefit or due to a reduction in the death benefit provided under the Certificate, the Coverage provided by the Certificate and any Riders will terminate with no further benefits payable.

RESTRICTION ON CHANGES TO CERTIFICATE AND RIDERS: While the Insured is eligible for a Monthly Accelerated Death Benefit no changes may be made to the Coverage provided by the Certificate or to any Rider attached to the Coverage.

EFFECT ON ACCIDENTAL DEATH BENEFIT RIDER: While the Coverage is in force, any Accidental Death benefit under the Certificate will not be affected by the acceleration of benefits under this Rider.

MONTHLY REPORT SHOWING EFFECT OF RIDER BENEFITS: While Rider benefits payments are being paid, We will provide You with a monthly report that shows the effect each Rider benefit payment has on Coverage values.

LIMITATIONS

The following limits apply to payment of an Accelerated Death Benefit under this Rider:

1. We will not pay any Accelerated Death Benefit before the end of the Elimination Period.
2. We will not pay any Accelerated Death Benefit such that the total lifetime Accelerated Death Benefits payable plus any Terminal Illness benefit paid exceed the current life insurance death benefit Coverage provided by the Certificate.

GENERAL PROVISIONS

NOTICE OF CLAIM: You must notify Us in writing within 30 days of any eligible Confinement, Home Health Care service, or Adult Day Care service, for which You are claiming benefits. You must send written notice to Our agent or Us and include the insured's name and Certificate Number. If notice cannot reasonably be given within 30 days of a loss, You must send the notice as soon as reasonably possible.

CLAIM FORMS: After We receive Notice of Claim, We will send claim forms to You or Your authorized representative within 15 days. If the claim forms are not received within 15 days, We will accept Written Proof of Loss describing the nature and extent of the claim. Such initial and ongoing Written Proof of Loss must be received by Us within the time limit stated in the following paragraph.

WRITTEN PROOF OF LOSS: We will pay benefits under this Rider after We receive Written Proof of Loss satisfactory to Us. We must receive initial Written Proof of Loss within 90 days after expiration of the Elimination Period. If it is not reasonably possible to provide this information within such time, initial Written Proof of Loss must be submitted as soon as reasonably possible, but not later than one year from the time specified. We will require subsequent Written Proof of Loss satisfactory to Us to be submitted periodically while the Insured continues to be eligible to receive benefits under this Rider. Any such periodic Written Proof of Loss will not be required more frequently than once every 3 months.

Written Proof of Loss means billing statements, invoices, or payment receipts to prove that the Insured was Confined or received Home Health Care or Adult Day Care services in accordance with a Plan of Care. Written Proof of Loss also means certification by a Physician that the Insured is Chronically Ill. Examples of Written Proof of Loss include Physician certification, Plan of Care records, attending Physician reports, medical records; and similar written documentation.

PHYSICAL EXAMINATION: At Our expense, We reserve the right to have a Licensed Health Care Practitioner of Our choosing examine the Insured while a claim is pending to determine the Insured's eligibility for benefits. In the event that the Licensed Health Care Practitioner We choose provides a different diagnosis of the Insured's condition, We reserve the right to rely on the certification from the Physician of Our choosing for claim purposes.

TIME OF PAYMENT OF CLAIMS: All benefits described in this Rider will be paid monthly provided We have received Written Proof of Loss satisfactory to Us.

PAYMENT OF CLAIMS: All Rider benefits will be paid to You, unless You designate a different payee.

DENIAL OF CLAIMS: If We deny a claim, We shall make available all information directly relating to such denial within 60 days of the date of a written request by the Certificateholder, unless such disclosure is prohibited under state or federal law.

ADJUSTMENT OF THE DEATH BENEFIT: If Rider benefit payments are paid after the Insured has died, but before notification of death has been received by the Company, We will reduce the Death Benefit by the amount of these Rider benefit payments.

LEGAL ACTIONS: No legal action may be brought to recover under this Rider within 60 days after Written Proof of Loss has been provided to Us as required. Also, no legal action may be brought to recover under this Rider more than 3 years from the time Written Proof of Loss is required to be furnished.

CONSENT FOR BENEFIT PAYMENT: We must obtain the consent of any irrevocable beneficiary or assignee of record before any Rider benefit is paid.

CONTESTABILITY: Except for non-payment of premium, We will not contest this Rider after two years from the Date of Issue of this Rider, or the effective date of reinstatement with respect to statements made in the application for reinstatement, if applicable.

REINSTATEMENT FOR UNINTENTIONAL LAPSE: If this rider is canceled due to nonpayment of premium, the Certificateholder is entitled to have this rider reinstated if, within a period of not less than 5 months after the date of cancellation, the Certificateholder or any secondary addressee designated demonstrates that the failure to pay the premium when due was unintentional and due to the Certificateholder's cognitive impairment, loss of functional capacity, or continuous confinement in a hospital, skilled nursing facility, or assisted living facility for a period in excess of 60 days. Rider reinstatement shall be subject to payment of overdue premiums. The standard of proof of cognitive impairment or loss of functional capacity shall not be more stringent than the benefit eligibility criteria for cognitive impairment or the loss of functional capacity contained in this rider. If the rider becomes a claim during the 180-day period before the overdue premium is paid, the amount of the premium or premiums may be deducted in any settlement under this rider.

CONTINUATION: Regardless of the continuation or conversion options available under the base Certificate, a continuation option is available for this Rider. Only You can request termination of this Rider. Unless You do, it will remain in force as long as the Certificate remains in force. If the base Certificate is converted to an individual life policy, this Rider will then be attached to the converted individual life policy.

DISCONTINUANCE AND REPLACEMENT: If coverage under the Group Policy and this Rider is being offered as a replacement of a previous Group Long-Term Care coverage, then all persons covered by the previous Long-Term Care coverage will be offered coverage under this Rider. The new coverage under this Rider:

1. Shall not result in any exclusion for preexisting conditions that would have been covered under the Group Policy or Rider being replaced; and
2. Shall not vary or otherwise depend on the individual's health or disability status, claim experience, or use of long-term care services.

TERMINATION OF COVERAGE PROVIDED BY THIS RIDER: Coverage provided by this Rider terminates at the earliest of:

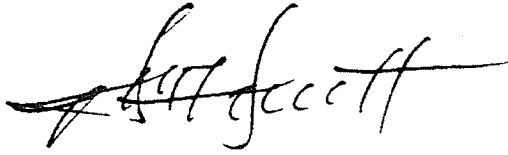

1. When the Coverage provided by the Certificate terminates for any reason including Termination of Coverage due to Acceleration; or
2. On the Termination Date of this Rider, as shown on the Certificate Schedule; or
3. On the date You elect to terminate this Rider; or
4. On the date of the Insured's death; or

At the end of the 31 day grace period for an unpaid premium. Notification of termination will be provided by first class United States mail, postage prepaid, to the Certificate Holder and any other person designated by the Certificate Holder at least 30 days prior to termination for non-payment of premium. Notice shall be deemed to have been given as of five days after the date of mailing.

CONTINGENT NONFORFEITURE BENEFIT: The contingent nonforfeiture benefit will be available on lapse should We increase the premium rates and you did not purchase the Nonforfeiture Benefit. The Contingent Nonforfeiture Benefit will be equal to the greater of a credit of 100 percent of the premium paid or 30 times the daily nursing home benefit at the time the Rider lapses.

CANCELLATION OF THIS RIDER: This Rider may be cancelled by a written request from You. Cancellation will take effect on the date We receive the written request at Our Administrative Office. We will refund a pro rata part of any premium paid for this Rider beyond that date.

PREMIUMS

Payment of Premiums

Policyholder must remit to Us the sum of all premiums collected and due for each Insured covered under The Policy. Premiums are payable in advance to our Administrative Office. The first premium is due on the Date of Issue shown on the Certificate Schedule. Each subsequent premium is due when the period covered by the preceding premium ends.

Grace Period

Reinstatement

Coverage under The Policy may be reinstated, while the Insured is alive, at any time within five years after the date of Lapse subject to Our acceptance of a Certificateholder's application for reinstatement. However, the Coverage cannot be reinstated on or after the Expiry Date.

If the premium due is paid within 60 days of the due date (within 29 days after the end of the Grace Period) and during the Insured's lifetime, the Coverage will be reinstated without Evidence Of Insurability.

If the premium due is not paid within 60 days of the due date (within 29 days after the end of the Grace Period) Reinstatement will be subject to Evidence Of Insurability satisfactory to Us. All overdue premiums must be paid with interest compounded annually at 6% from their due dates to the date of reinstatement.

THE DEATH BENEFIT

Death Benefits available to an Insured are determined in accordance with the Death Benefit provision of The Policy. The Guaranteed Death Benefit, Deferred Paid-Up Term Death Benefits and One Year Term Insurance for a given Insured vary according to Issue Age, Mortality Table, Rate Class, Premium and Non-Guaranteed Credits described in The Policy. Given the variability of these factors, the Guaranteed Death Benefit, Deferred Paid-Up Term Death Benefits and One Year Term Insurance for a given Insured are only illustrated in the Certificate Schedule and Illustration issued to the Certificateholder. The following provisions govern the calculation of the Death Benefit:

Guaranteed Death Benefit

While premiums are being paid, the Policy provides for an initial level Guaranteed Death Benefit during the Initial Guaranteed Death Benefit Period. After the Initial Guaranteed Death Benefit Period, the Guaranteed Death Benefit equals the Reduced Guaranteed Death Benefit. The guaranteed death benefits and death benefit periods are shown on the Certificate Schedule.

The Guaranteed Death Benefit is equal to the sum of the Guaranteed Paid-Up Term Death Benefit and the Decreasing Term Death Benefit. The Guaranteed Death Benefit Coverage terminates without value at the Expiry Date shown in the Certificate Schedule.

Guaranteed Paid-Up Term Death Benefit

The Guaranteed Paid-Up Term Death Benefit is equal to the accumulated amount of paid-up term insurance purchased by a level portion of the Coverage annual premium. This premium is shown on the Certificate Schedule. During the Vesting Period, the premium loads shown in the Certificate Schedule reduce this level portion of the premium. The table of Guaranteed Paid-Up Term Death Benefits is shown in the Certificate Schedule.

If the Coverage lapses because of unpaid premiums due during the Vesting Period, the Coverage will terminate with no value. If the Coverage lapses because of unpaid premiums due after the Vesting Period accumulated paid-up term insurance Coverage will remain in force until the Expiry Date.

Decreasing Term Death Benefit

The Decreasing Term Death Benefit is equal to the Guaranteed Death Benefit minus the Guaranteed Paid-Up Term Death Benefit. The Decreasing Term Death Benefit terminates when premiums are no longer being paid.

Deferred Paid-Up Term Death Benefit

We may purchase a non-guaranteed Deferred Paid-Up Term Death Benefit on each Date of Issue Anniversary while the Coverage is premium paying. A Deferred Paid-Up Term Death Benefit will not provide an increase in the death benefit while the Coverage is premium paying except as noted in the One Year Term Death Benefit provision. It will increase the paid-up death benefit available upon termination of premium payments, provided that premium payments are paid through the Vesting Period shown in the Certificate Schedule. The company will declare Non-guaranteed Credits in advance of each Certificate Year that will be used to purchase the Deferred Paid-Up Term Death Benefit.

Non-guaranteed Credits

Credits are based upon interest and mortality more favorable than that guaranteed by The Policy. The total credit on each anniversary is equal to the sum of the Mortality, Survivor and the Excess Interest Credits. These Credits may not be less than zero.

The Mortality Credit is equal to i times ii times iii divided by iv:

- i. The Guaranteed Death Benefit.
- ii. The guaranteed mortality rate minus the current mortality rate.
- iii. One plus the current interest rate raised to the one half power.
- iv. One minus the current mortality rate.

The Survivor Credit is equal to i times ii times iii divided by iv:

- i. The Deferred Paid-Up Term Death Benefit on the prior anniversary.
- ii. The current mortality rate.
- iii. One plus the current interest rate raised to the one half power.
- iv. One minus the current mortality rate.

The Excess Interest Credit is equal to i times ii times iii:

- i. The sum of the Guaranteed and non-guaranteed Deferred Paid-Up Term Death Benefit on the prior anniversary.
- ii. The current interest rate minus the guaranteed interest rate.
- iii. The net single premium rate for Paid-Up term insurance.

The Guaranteed Death Benefit, current mortality rate, net single premium rate and interest rate for calculating the above Credits are determined as of the prior anniversary and are based upon rates declared in advance of the Coverage Year. Current rates are based upon Our future expectations of mortality and interest and are not calculated to recover past losses or distribute past profits. If We change current rates on in force Coverage under The Policy, the changes will be made uniformly for all insureds for a given age, Mortality Table and Rate Class as shown in the Certificate Schedule. If we change the current rates under The Policy, We will send the Certificateholder a Notice on the Coverage Anniversary Date on or following the date of the change in rates.

The additional Deferred Paid-Up Term Death Benefit as of the current anniversary is equal to the amount of Deferred Paid-Up Term Death Benefit on the prior anniversary plus the sum of the total Credits divided by the net single premium rate for paid-up term insurance on the current anniversary.

Once earned, the Deferred Paid-Up Term Death Benefit is guaranteed and will not decrease except in years where it is used to purchase One Year Term insurance.

One Year Term Insurance

After the Initial Guaranteed Death Benefit Period, a portion of the value of the non-guaranteed Deferred Paid-Up Term Death Benefit will be used on each anniversary to purchase One Year Term Insurance equal to the reduction in the Guaranteed Death Benefit. If there is not enough value to purchase One Year Term Insurance equal to the reduction in the Guaranteed Death Benefit then as much One Year Term Insurance as the value will allow will be purchased.

The One Year Term Insurance premium is equal to i divided by ii:

- i. Current mortality rate
- ii. One plus the current interest rate raised to the one half power,

Where the current mortality rate and interest rate is determined as of the current anniversary.

The amount of Deferred Paid-Up Term Death Benefit will be reduced by the amount needed to pay the One Year Term Insurance Premium based upon the net single premium rate for paid-up term insurance.

Early Fully Paid-Up Coverage

If the sum of the Guaranteed and Deferred Paid-Up Term Death Benefit is greater than or equal to the Initial Guaranteed Death Benefit prior to age 100, the Coverage will become paid-up for an amount equal to the sum. No further premium payments will be due.

Death Benefit Calculations

In any Certificate Year, while premiums continue to be paid, the amount payable upon death of the Insured will be:

- a. Guaranteed Death Benefit in effect, in that year; plus
- b. After the Initial Guaranteed Death Benefit Period, One Year Term Insurance, if any; plus
- c. the premium paid beyond the date of death; plus
- d. interest, not less than required by law, from the date proof of death is received by Us to the date the claim is paid; minus

- e. any unpaid premium due and unpaid at the date of death.

In any Certificate Year after premiums have been paid thru the Vesting Period and the Coverage has Lapsed due to nonpayment of premiums, the amount payable upon death of the Insured will be:

- a. the Guaranteed Paid Up Term Death Benefit; plus
- b. the Deferred Paid Up Term Benefit, if any; plus
- c. interest, not less than required by law, from the date proof of death is received by Us to the date the claim is paid.

No Death Benefit is payable in the event that death occurs after Coverage has Lapsed, and the Lapse occurred prior to the end of the Vesting Period.

Payment of Proceeds – Settlement of the death benefit shall be made by payment in one sum.

The proceeds are subject to any adjustments provided in the Misstatement of Age or Tobacco Usage, Contestability and Suicide provisions.

Death of Beneficiary

If any Beneficiary predeceases the Insured, the portion of the proceeds that would have gone to that Beneficiary shall be paid to the Insured's Estate.

Multiple Beneficiaries

If there is more than one Beneficiary, proceeds shall be divided equally among the Beneficiaries unless the Beneficiary designation specifies the amount to be paid to each Beneficiary.

Facility of Payment

We may pay all or part of the death benefit to any person who paid any expense in connection with the Insured's last illness or death. That person must give us a copy of the receipt describing the expense and the amount paid for such expense. Reimbursement will not exceed \$1,000. The death benefit will be reduced by any payment made under this provision.

COVERAGE VALUES

Basis of Values

All paid-up term insurance amounts, present values and net single premiums for The Policy are based on the Mortality Table and interest rate shown on the Certificate Schedule. Calculations take into account that premiums are paid annually and that death benefits are payable uniformly throughout the Certificate Year. Any additional benefits provided by Riders shall be excluded from these calculations.

Certificate Schedule of Guaranteed Values

The Certificate Schedule of Guaranteed Values shows the guaranteed values at the beginning of the Certificate Year on the assumption that premiums have been fully paid in cash for the completed years stated.

If premiums for this Coverage are paid other than annually, adjustments will be made in calculating guaranteed Paid-Up term insurance values for that portion of the Certificate Year for which premiums were actually paid.

Guaranteed paid-up term insurance values for the end of any Certificate Year not shown in the table will be furnished upon written request to Our Administrative Office.
